

HIC Global Solutions Launches Vstaffin- The Future Of Staffing

Milwaukee, Wisconsin Sep 25, 2023 ([Issuewire.com](https://www.issuewire.com)) - HIC Global Solutions has moved a step ahead with its [IT Staff Augmentation Services](#) to a completely new venture called **Vstaffin**, the future of staffing.

With a proven record of delivering multiple projects in IT Staff Augmentation services, and developing a huge database of happy customers, HIC Global Solutions announced the launch of Vstaffin on the occasion of HIC's 8th anniversary.

Speaking on the occasion of the company's 8th anniversary, **Piyush Singhal, Co-founder & CEO of HIC Global Solutions**, said, " *Vstaffin is here to bridge the gap between IT firms and IT professionals. Our clients are our top priority, and because of the overwhelming response to the staffing domain, we decided to dedicate a focused team to it. I would like to congratulate the Vstaffin team for their immense dedication.* "

Vstaffin offers strategic solutions to businesses to enhance their operational efficiency by providing resources with AI-enabled selection methods. The goal of the company is to provide highly qualified resources as per the project requirement and reduce the hassle behind the selection process along with the associated costs.

The vision of the company is to explore the different horizons of staffing and expand its wings into different domains. Their mission is to successfully complete the projects and provide continuous IT support if required without hampering the timeliness of the project.
