

James R. McCarty, MD, FAAD, a Dermatologist with U.S. Dermatology Partners Fort Worth

Get to know Dermatologist Dr. James R. McCarty, who serves patients in Texas.

New York City, New York Sep 8, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. McCarty is an experienced dermatologist who treats patients in Fort Worth, Texas at U.S. Dermatology Partners South Hulen. Some of the services that he offers include general and cosmetic dermatology, as well as skin cancer treatment.

Before medical school, Dr. McCarty earned a Bachelor of Science Degree from Rhodes College in Memphis, Tennessee, where he graduated with honors and was elected to Phi Beta Kappa.

After earning his Doctor of Medicine degree from the Baylor College of Medicine in Houston, Texas in 1974, Dr. McCarty went on to complete his internship, dermatology residency, and dermatology research fellowship at the Baylor College of Medicine Affiliated Hospitals.

Following his training, the doctor attained board certification in dermatology from the American Board of Dermatology (ABD). The ABD is a voluntary, non-profit, private, autonomous organization formed for the primary purpose of protecting the public interest by establishing and maintaining high standards of training, education, and qualifications of physicians rendering care in dermatology.

In addition to being a Fellow of the American Academy of Dermatology (FAAD), Dr. McCarty is a member of the Texas Dermatological Society, the Texas Medical Association, the American Medical Association, the American Vein and Lymphatic Society, the American Society for Laser Medicine and Surgery, and the American Society for Dermatologic Surgery. He is a Past President of the Fort Worth Dermatological Society.

From 1983-2013, Dr. McCarty served as an Assistant Clinical Professor of Dermatology at the University of Texas Health Science Center Dallas.

Dermatology is the branch of medicine dealing with the skin, the largest organ of the body—a specialty with medical, surgical, and cosmetic aspects. A dermatologist is a specialist physician who manages diseases of the skin, hair, and nails due to both internal and external causes and is trained to address cosmetic concerns involving the skin. The practice of dermatology includes diagnosis and management of a variety of skin disorders, rashes, birthmarks, skin cancer screening and treatment, skin infections, cutaneous surgery, and the use of injectables and lasers for skin rejuvenation.

In private practice since 1979, Dr. McCarty attributes his success to taking time to give his full attention to each patient.

Outside of practicing medicine, he enjoys listening to classical music and collecting fountain pens. His favorite places to vacation are in Europe.
