

JGH Educational and Charitable Foundation, Inc. Awarded \$1,500 Grant to Expand Loudoun Academic Awards Program

Reston, Virginia Sep 11, 2023 ([IssueWire.com](https://www.issuewire.com)) - The JGH Educational and Charitable Foundation, Inc. is thrilled to announce that it has been awarded a \$1,500 grant from the Community Foundation for Loudoun and Northern Fauquier Counties through the Black-led Nonprofit Grant Program 2023. This generous grant will play a pivotal role in expanding the Loudoun Academic Awards program, dedicated to recognizing and inspiring the academic achievements of African-American students in Loudoun County.

In 2024, JGH Proposes to Transform Education in Loudoun County

The grant will be instrumental in taking the Loudoun Academic Awards program to new heights. In 2024, JGH will extend its reach to 20 middle and high schools, benefiting over 200 African American students in 8th through 11th grades. The primary objective remains to celebrate students' academic achievements, encouraging them to persist through high school graduation and aspire to college success.

The grant funds will be allocated strategically to enhance the program's impact. It will support the setup of a robust social media platform for seamless communication and registration. Additionally, a larger event facility will be rented to accommodate the program's growing reach. Administrative capacity will be bolstered to streamline certificate production, and refreshments will be provided for all program attendees. The program is scheduled for the spring of 2024, coinciding with students' final quarter, ensuring maximum engagement.

Transformative Impact and a Legacy of Success

Over the years, the Loudoun Academic Awards program has left an indelible mark on the lives of students, parents, and families. Many past awardees have returned to share their experiences, emphasizing how the program served as their first and often only recognition for their academic endeavors. The ripple effect has been profound, with some recognized students going on to win the prestigious JGH Jewel Scholarship.

A Partnership for Academic Excellence

The JGH Educational and Charitable Foundation, Inc. is proud to partner with the Minority Student Achievement Advisory Committee (MSAAC) to conduct the Academic Achievement Program. MSAAC's dedication to promoting the needs of minority students and fostering equitable learning experiences aligns perfectly with the program's vision.

Join Us in Inspiring Excellence

The JGH Educational and Charitable Foundation, Inc. invites the community to join hands in this transformative journey. Your support will enable us to empower more deserving students and families in Loudoun County, making a lasting impact on education and community development.
