

Lt. CDR. Louisa L. Dresser, MD, Internist

Get to know Internist Dr. Lt.CDR. Louisa L. Dresser, who serves patients throughout the State of California.

New York City, New York Sep 20, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Dresser is a highly knowledgeable internist with a valid medical license to practice in California. She wears multiple hats in her professional life, including serving as the Vice Chair of the Department of Medicine and holding the position of Division Chair of Hospital Medicine at John Muir Medical Center in Walnut Creek.

Underscoring her commitment to medical excellence and education, Dr. Dresser worked as a hospitalist at California Pacific Medical Center. Academically she also held the role of Assistant Professor of Clinical Medicine at the University of California, San Francisco Medical Center.

In addition to her civilian responsibilities, she is a Lt. Commander in the United States Navy Reserves and served two tours of duty as a Naval medical officer in the Persian Gulf.

Shaping her path to becoming a skilled medical professional, Dr. Dresser graduated from St. George's University School of Medicine, attaining her Medical Degree in the Class of 2009. She then completed an internship in internal medicine at SetonHall University program at St. Michaels Medical Center Newark, New Jersey 2009 to 2010, followed by a residency in internal medicine at the University of Southern California/LAC+USC Medical Center(Class of 2012.)

Equipped with a strong foundation in medicine and clinical expertise, Dr. Dresser is a diplomat, and a board-certified physician of the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

When reflecting on the source of her success, Dr. Dresser credits her remarkable parents as influential role models. Both renowned physician-surgeons, her parents not only demonstrated a profound passion for their work but also a sincere dedication to improving lives and assisting their fellow human beings.
