Chantilly, Virginia Oct 2, 2023 ([Issuewire.com](https://www.issuewire.com)) - Scott-Long Construction Inc., a leading Virginia commercial construction company, is thrilled to announce its recognition in the 2023 Excellence in Construction Awards competition hosted by the Metro Washington and Virginia Chapters of Associated Builders and Contractors. The company's stellar execution of the renovations at The Fourth Presbyterian Church and The Montebello Community Center has garnered recognition in the 2023

Excellence in Construction Awards.

The successful renovations of The Fourth Presbyterian Church and Montebello Community Center exemplify John Long and his team's commitment to excellence in each renovation undertaking. Such esteemed recognition showcases the remarkable dedication, expertise, and hard work of Scott-Long Construction Inc.'s talented [commercial construction](#) professionals.

The [Excellence in Construction awards](#) celebration is scheduled to take place on Wednesday, September 20, 2023, at The Ritz Carlton in Tysons Corner. The distinguished event brings together industry leaders, architects, owners/developers, project teams, and subcontractors for an unforgettable evening of celebration and recognition.

In addition to the award-winning projects at The Fourth Presbyterian Church and [The Montebello Community Center](#), Scott-Long Construction Inc.'s entries for commendation on renovations performed at The Alexandria Presbyterian Church, HCA Tysons FSED, IFMC Grossing/Cyto Flow Lab, and The St. Peter's Church Bell Tower Restoration has also gained recognition by the Excellence In Construction awards program. This recognition is a testament to the company's ongoing commitment to delivering top-notch projects and contributing positively to the community.
