'Gratitude in Every Step' reflects the deep appreciation we feel for the trust and unwavering support from our community.

This gratitude extends beyond words to meaningful actions. Through our partnership with UNICEF, we've raised a total of USD \$220,000. This includes directing nearly USD \$60,000 to assist the victims of the Türkiye-Syria earthquake and contributing over USD \$100,000 to humanitarian initiatives in Afghanistan.

As we move forward, we will continue to honor the trust and support we've received by actively giving back to the community, embodying the spirit of 'Gratitude in Every Step' in all that we do."

Since its inception in 2009, Muslim Pro has dedicated itself to providing comprehensive and innovative digital solutions to enhance the lives of Muslims around the world with the most accurate religious utility features and robust selection of lifestyle content.

Presently, integrated with [Qalbox](#) – a global entertainment streaming feature that embraces the diverse global Muslim identities and cultures – Muslim Pro has now transitioned into an open platform. Qalbox embodies this visionary approach by seamlessly integrating its content video platform within the app, aspiring to become the preeminent digital hub encompassing all facets of the Muslim experience, 'The Digital Home for All Things Muslim.'
