

New Zealand Business Coach Brett Slater Launches Slater's Coaching Connection

Hamilton, Waikato Sep 19, 2023 ([Issuewire.com](https://www.issuewire.com)) - Leading the way in innovative business coaching solutions, Brett Slater, a renowned business coach based in Hamilton, Waikato, New Zealand, is thrilled to introduce “Slater’s Coaching Connection,” a transformative approach to coaching that bridges the gap between personal well-being and business success.

[Slater’s Coaching Connection](#), often referred to as “Glue,” is a revolutionary framework that combines the emotional needs of individuals with the essential requirements of small business owners. Unlike traditional coaching methods, this holistic approach recognises the profound connection between personal and professional lives, aiming to create a harmonious balance that leads to greater overall fulfilment.

“At Slater’s Coaching Connection, we understand that business success alone is insufficient. True happiness comes from addressing life’s personal and business aspects,” says [Brett Slater](#), the founder of Slater’s Coaching Connection. “Our unique approach clarifies personal and business goals, helping

clients achieve a more fulfilling and balanced life.”

Key Features of Slater’s Coaching Connection:

1. **Holistic Approach:** Slater’s Coaching Connection recognises that personal well-being and business success are interconnected. It addresses both aspects, fostering holistic growth.
2. **Visual Framework:** The framework is represented visually through a multi-dimensional matrix, making it easy for clients to understand and apply to their lives.
3. **Balanced Coaching:** The coaching approach guides clients to achieve work-life balance while excelling in their business endeavours.
4. **Proven Success:** With over 35 years of experience, Brett Slater has fine-tuned this approach, helping numerous clients find success and happiness.
5. **Customized Solutions:** Each coaching journey is tailored to the individual client, ensuring their unique needs and goals are addressed.

Slater’s Coaching Connection is set to revolutionise the business coaching industry by offering a fresh perspective on achieving success and happiness as a business owner. By addressing the emotional needs of individuals and aligning them with business objectives, this approach provides a roadmap to personal and professional fulfillment.
