

Peter J. Lee, MD, MPH, FASA, an Anesthesiologist with Ascension Providence Hospital - Southfield Campus

Get to know Anesthesiologist Dr. Peter J. Lee, who serves patients in Southfield, Michigan.

New York City, New York Sep 19, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Lee is a dual board certified anesthesiologist working within the Department of Anesthesiology at Ascension Providence Hospital - Southfield Campus & Novi Campus..

Located in Michigan, Ascension Providence Hospital - Southfield & Novi is a full-service hospital with 24/7 emergency care, a level II trauma center, and heart, stroke, brain and spine, and cancer centers. It delivers advanced surgical care for serious and life-threatening injuries and illnesses.

With a focus on excellence and innovation, Ascension Providence Hospital - Southfield Campus and its dedicated medical professionals like Dr. Lee continue to play a pivotal role in enhancing the overall health and well-being of their patients.

In regards to his educational background, Dr. Lee graduated with his Medical Degree and Master of Public Health Degree from the George Washington University School of Medicine and Health Sciences in 1992. He then went on to perform his residency in anesthesiology with the University of Michigan Health System from 1992-1996, followed by his fellowship in critical care medicine at the University of Florida College of Medicine from 1996-1997.

Board certified in anesthesiology and critical care medicine, the doctor is a Diplomate of the American Board of Anesthesiology (ABA). As the certifying body for anesthesiologists since 1938, the ABA is committed to partnering with physicians to advance lifelong learning and exceptional patient care. Its mission is to advance the highest standards of the practice of anesthesiology. He also had been board certified in Perioperative Transesophageal Echocardiography from 2001 to 2021.

Recognizing his exceptional expertise and contributions in the field of anesthesiology, Dr. Lee is a Fellow of the American Society of Anesthesiologists (FASA).

In addition, he serves on the Board of Directors of the Michigan Society of Anesthesiologists.

Anesthesiology is the medical specialty concerned with the total perioperative care of patients before, during, and after surgery. It encompasses anesthesia, intensive care medicine, critical emergency medicine, and pain medicine. Anesthesiologists have the primary responsibility of monitoring the patient's vital signs during surgery.

Dr. Peter J Lee, MD, MPH, FASA currently serves as the President of the Medical Staff at Ascension Providence Hospital, Southfield and Novi campuses.
