

Podcast Madame Perry's Salon Has Been Added To Amazon Music and Audible

Amazon Music and Audible reached out to Jennifer Perry, executive producer and host of the podcast Madame Perry's Salon, requesting to add the eclectic podcast to their entertainment listings.

Atlanta, Georgia Sep 12, 2023 ([Issuewire.com](https://www.issuewire.com)) - Launched in 2015, the show has built a steadily growing audience and an impressive guest list. The title evolved from Perry's fascination with cultural salons of centuries past, where a patroness of the arts would hold a regular meeting of artists and thought leaders to share their works in progress. She maintains a warm conversational feel especially when callers join in to talk with the guests.

Guests range from famous to not so well-known, and listeners comment that they enjoy this aspect. Musicians like Grammy-winning saxophonist **Dave Koz, Wendy Moten, Michael Des Barres, Bruce**

Sudano, Kasim Sulton, Tag Team's DC The Brain Supreme, and Liverpool UK rockers **Joe Symes and The Loving Kind** enjoy Perry's comfortable show atmosphere and global audience.

Actors and comedians on the show have included **Arden Myrin, Anthony J. Sharpe** and his wife, comedian **Julie Sharpe, Myq Kaplan, Beth Lapides**, and **Don Most**. Emmy-winning investigative journalist **Art Harris, Rock'n'Roll Fantasy Camp Creator David Fishof**, and *Only Fans* creator **Adelia Acker** have also been popular guests.

Authors including **Michael Fleeman, Caroline Leavitt**, and artist/writer **Vivienne Boucherat** are also guests that keep the listeners messaging Perry and becoming devoted fans of these guests.

A recent show featured musician, author, and producer **Marianna Williams**. While on the air actor **Peter Elbling** called in, and none other than multi-award winning songwriter, Chairman of **ASCAP**, and Marianna's husband **Paul Williams**!

As Madame Perry herself says, "I am deeply grateful for everyone who generously gives their time to be a guest and to listen to the show and share it. The salon is a lively place!"
