

Qvesty Announces Game-Changing Move: 100% Commission-Free App for Service Providers

Qvesty's pioneering 100% commission-free approach redefines industry norms, ensuring financial independence and success for service providers in San Francisco Bay.

QVESTY UNVEILS **100% COMMISSION-FREE APP** FOR DOERS

Sunnyvale, California Sep 20, 2023 ([Issuewire.com](https://www.issuewire.com)) - Qvesty, the innovative marketplace platform app connecting users with a wide range of service providers, is making a groundbreaking stride in the industry. The platform, known for its commitment to empowering service providers, has declared its app to be 100% commission-free, eliminating bidding processes entirely. This remarkable change puts the power back into the hands of the service providers, referred to as "Doers" on the Qvesty platform.

In a bold statement, [Qvesty](https://www.qvesty.com) has made it unequivocal. This transformative shift ensures that Doers retain 100% of their earnings, providing them with unprecedented financial stability and control over

their businesses.

"We are thrilled to announce that Qvesty is now entirely commission-free for our valued service providers," said the spokesperson of Qvesty. "By eliminating commissions and bidding, we are leveling the playing field, allowing service providers to focus on delivering exceptional service without the constraints of pricing battles."

This strategic decision comes as part of Qvesty's ongoing mission to foster a fair and equitable platform that benefits both users and service providers. With the elimination of bidding wars, service providers no longer need to compete on price alone, enabling them to showcase their expertise and quality of service. This fosters a healthier and more sustainable environment for both Doers and users.

Service providers across various categories, such as **home network setup, general cleaning, window cleaning, pool cleaning, patio cleaning, local cleaning, laundry, ironing, handyman services, and yard work**, can now enjoy the full benefits of the Qvesty platform without worrying about commission deductions.

The spokesperson of Qvesty said, "Our mission is to empower the Doers, and this commission-free approach is a major step towards ensuring their success."

The Qvesty app, available on Google [Play Store](#) and the [App Store](#), offers a user-friendly interface that connects users with service providers in the San Francisco Bay Area seamlessly.
