

SAM Corporate & Elite Star Management Consultancies Forms Partnership to Empower Middle East Financial Sector

Dubai, United Arab Emirates Sep 7, 2023 ([Issuewire.com](https://www.issuewire.com)) - Elite Star Management Consultancies (ESMC), a Dubai-based management consultancy firm, has partnered with SAM Corporate, a Global FinTech Expert in digital transformation. This partnership will combine ESMC's expertise in corporate finance advisory with SAM Corporate's deep expertise in Performance Management (CPM) and finance automation.

"We are thrilled to partner with SAM Corporate to aid organizations in the Middle East to achieve their financial targets. SAM Corporate's profound expertise in CPM and digital finance is a perfect addition to our capabilities, and we believe this partnership will generate significant value for our clientele, along with vast opportunities to improve our facilities. The partnership between ESMC Global and SAM Corporate is a notable development for the Middle East's financial sector. It will provide organizations with access to an extensive range of services and expertise that will aid them in improving their financial performance and compliance", said Mr. Kashif Ahmed Khan, CEO of ESMC Global.

"The significance of our strategic collaboration with ESMC underscores our commitment to bringing the full value of our diverse CPM and finance automation portfolio to support the growth of our clients' global strategies. By merging SAM Corporate's influential presence in the Middle East with ESMC's profound expertise in corporate finance advisory, we are poised to achieve remarkable advancements within the Middle East financial sector", said Mr. Marc Gillis, CEO of SAM Corporate.
