

Steven P. Glusman, MD, a Neurologist with Sun City Neurology, P.A.

Get to know Neurologist Dr. Steven P. Glusman, who serves patients in El Paso, Texas.

New York City, New York Sep 26, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Glusman is a seasoned physician with a history of experience in clinical neurology and neurophysiology. Since May of 2003, he has held the position of Owner at Sun City Neurology, P.A., located in El Paso, Texas. He has also been a Staff Neurologist at the El Paso VA.

With particular interests in the fields of neuro-imaging and traumatic brain injury, his clinical focus extends to encompass areas such as behavioral neurology and dementias, as well as movement disorders, multiple sclerosis, epilepsy, migraine, and stroke. These specialized areas of study and practice underscore his dedication to understanding and addressing various aspects of neurological health and well-being.

Pursuing his medical training and specialized education at various esteemed institutions, Dr. Glusman earned his Medical Degree from Albert Einstein College of Medicine of Yeshiva University, Bronx, N.Y. in 1988. He then went on to perform his internship in internal medicine at Oregon Health & Science University from 1988 to 1989, followed by his residency in neurology at the same institution from 1989 to 1992.

From 1999 to 2000, Dr. Glusman continued to expand his expertise through a post-doctoral fellowship in cerebrovascular disease at the State University of New York at Buffalo School of Medicine/ Kaleida Health. Subsequently, he pursued a fellowship in clinical neurophysiology at the University of Texas Southwestern Medical Center from 2000 to 2001.

Actively engaged in several professional associations, Dr. Glusman is a member of the American Academy of Neurology, the Texas Neurological Society, and the National Ice Cream Retailers Association.

Neurology is a branch of medicine dealing with disorders of the nervous system. Neurologists are licensed medical specialists who diagnose and treat disorders that affect the brain, spinal cord, nerves, and muscles of patients. They examine a patient's mental and physical status, conduct medical tests and scans, and evaluate the results to diagnose and treat the patient.

When it comes to favorite vacation spots, Dr. Glusman has a diverse set of destinations that top hits list, including Cape Cod, the U.S. Virgin Islands, Mexico, and Breckenridge.

In his leisure time and when pursuing hobbies and sports, he wears many hats. As a musician, Dr. Glusman indulges in the rhythmic world of drumming. He also enjoys the serenity of boating, the excitement of fishing, and the thrill of water skiing. On the flip side, he delves into the depths of the ocean with SCUBA diving and embraces the crisp slopes for snow skiing adventures. Lastly, he finds joy in the creative process of crafting homemade ice cream, adding a delicious touch to his pastimes.
