

T. Scott Barton, DDS, a Dentist with Whispering Oaks Family Dental

Get to know Dentist Dr. T. Scott Barton, who serves patients in Texas.

New York City, New York Sep 22, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Barton is the lead dentist at Whispering Oaks Family Dental in San Antonio, Texas. He is dedicated to addressing his community's needs by providing compassionate and attentive care to each patient.

"Here at Whispering Oaks Family Dental, we utilize the most advanced, up-to-date technology in order to diagnose and treat dental problems with the highest level of accuracy and effectiveness. You no longer have to deal with time-consuming, uncomfortable traditional dental x-rays. Instead, we use non-invasive, painless equipment to instantly produce high-resolution dental images that allow our dentist to identify problems such as tooth decay, worn enamel, gum disease, or micro-fractures that would normally remain undetectable and untreated" as stated on the dental practice's website.

Delivering dental care of the highest quality, Dr. Barton treats every individual as a unique person with specific needs, goals, and desires for achieving and preserving a healthy mouth and a beautiful smile. He does so while also establishing and nurturing enduring relationships with his clientele.

Upon embarking on his academic career, Dr. Barton graduated with his Doctor of Dental Surgery Degree from The University of Texas Health Science Center in San Antonio in 1989. He furthered his expertise through advanced training in Straight Wire Orthodontics and dental implantology, and he holds certification in Invisalign.

Notably, Dr. Barton has achieved the esteemed status of Fellow with the International Congress of Oral Implantologists and holds membership in both the Texas Dental Association and the American Orthodontic Society.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

Outside of dentistry, Dr. Barton enjoys playing golf and tennis, listening to music, and playing guitar.
