

TETHEREUM EXCHANGE is Launching Very Soon with 350+ Payment mode Globally

California City, California Sep 8, 2023 ([IssueWire.com](https://www.issuewire.com)) - TETHEREUM started with a simple mission: to empower the forgotten four billion unbanked and underbanked, so they have control of their money in a way they've never had before. An immigrant from Japan raised in the heart of New York, Kiyoshi Nakamoto has always had a passion for helping others. He dreamed of a world where finance was accessible to everyone and that idea manifested as TETHEREUM EXCHANGE.

Our Values

We live and work by three simple values to guide us on our mammoth quest.

1-Be a Hero

At TETHEREUM EXCHANGE, we use superhuman efforts to get the job done. We work around the clock to provide our users with what they've been dreaming of. We're making the impossible a reality to change the lives of billions around the world.

When we make decisions at TETHEREUM EXCHANGE, we think about people—not profits. We're going to the places the rest of the world has ignored and forgotten. We're helping families to thrive, building schools, and enabling our users to become their own boss.

3-Stay Connected to the Streets

We listen to our community 24/7 at TETHEREUM EXCHANGE. We're not in skyscrapers with "the suits"—we're on the streets with the people. We're always talking with our users, asking them for their feedback, and creating something even better.
