

## **There's Magic In The Atlanta Air with The Trailblazing Team New Magic Productions**

**Atlanta, Georgia Oct 3, 2023 ([IssueWire.com](http://IssueWire.com))** - With the change of the seasons, New Magic Productions, a trailblazing, powerhouse entertainment production company founded and headed by CEO Tommie Glover (aka Roxe Karvell), is rolling forward with exciting new feature films and TV shows! New Magic continues to emerge as one of the most in-demand independent movie production companies in the industry. Roxe, an accomplished director, producer, recording artist, and cinematographer, is reshaping the way filmmakers approach storytelling and moviemaking. creating award-winning photoplays for contemporary audiences everywhere. Among Roxe's many accolades are a Lifetime Achievement Award signed by President Joe Biden, and the prestigious Production Empowerment Award. These honors underscore the commitment to excellence demonstrated by New Magic Productions, every day.

The company has assembled a gathering of exceptional talent in its management team, including Executive Producer/President Tara J. McCullum, and VP Dennis Hendricks. Among Tara's accomplishments, she wrote the film feature The Price Of Power, during a long, successful career in the entertainment and corporate worlds. Dennis has found success as a multi-talented author, fashion designer, and producer with more than 20 years of experience in the industry. His books, The Joners Sisters Secrets Parts 1 & 2, were adapted into a movie entitled The Jones Sisters Secrets, plus Selfie, a new, bone chilling, provocative horror thriller.
