

Turbozaurs strike distribution deal with Bongo in Bangladesh

Yerevan, Armenia Sep 16, 2023 ([Issuewire.com](https://www.issuewire.com)) - Turbozaurs animated series started a partnership with Bongo, the biggest video-on-demand streaming platform in Bangladesh. This opens access for Turbouzaurs to the country, which has a population of around 170 mln people and is one of the fastest growing markets in the world.

[Dubbed in Bengali](#), the Turbozaurs animated series has already undergone translation into 20 different languages and is available across the globe, adding new markets to its distribution list almost every

month.

Bongo has been instrumental in molding the digital entertainment scene in the country since its establishment in 2013. Bongo boasts an ever growing library of over 15.000 full movies, dramas, TV shows, music videos and songs.
