The image shows the Unboxify logo, which consists of the word "unboxify" in a lowercase, white, sans-serif font. The letter "i" is unique, featuring a blue dot above it. The logo is centered on a solid black rectangular background.

Jaipur, Rajasthan Sep 8, 2023 ([IssueWire.com](https://www.issuewire.com)) - Did you know that returned E-commerce goods are often the bestsellers in refurbished markets? Often we return the products to ecommerce companies and these products are sold to another buyer as unboxed products creating a sustainable and eco-friendly way of doing business online. Today the industry of unboxed products has garnered interest

from ecommerce giants like Amazon, Flipkart, [Unboxify](#) and even the product manufacturers like Apple, Samsung and Boat.

Reverse ecommerce is a revolutionizing concept for ecommerce sellers. Consumers are benefited as they receive value for money at affordable prices. With technology at helm consumers can gain through cost savings of unboxed products. Demand for unboxed items is on increase as it offers consumers accessibility to aspirational brands and products.

Unboxify offers unboxed products which are like-new products with just the box seal opened. These products are usually in like-new condition. These products are hardly used in most cases these are either un-activated or used for less than 7 Days. As they are not used, so they still hold a valid brand warranty with them for a period of 8-12 Months. These products look and function as good as new products and thus customers trust [Unboxify](#) when buying unboxed products.

Unboxify ensures that these products are only sourced from brand-authorised retailers thus they are fully covered under warranty by the brand's service policy. Most of the inventory at Unboxify comes via e-commerce returns which are basically products returned by the end-consumer within the respective website's return period. Many consumers return them as they didn't like the product or no longer needed. Many times they find the products incompatible and thus return it.

Unboxify offers exciting options making the consumer's life easier with the entire process right from delivery to installation. Additionally, team [Unboxify](#) helps in building customer goodwill and brand loyalty. Especially when you are short of budget and want to cater to your loved ones immediate demands you will find Unboxify by your side. You can buy unboxed product which is as good as new at a comparatively lower price making it a perfect alternative.

Whether it is Noise Cancelling Headphones or a motion sensing tablet or new gadgets you can buy them at affordable prices at Unboxify. In addition to being low on cost they also contribute to saving the environment.

Team at Unboxify never compromises on product quality. Their team of quality check experts makes certain that only the best quality and condition product are sent to you.

Unboxify is the brainchild of Tanishq Agarwal (IIT-BHU Alumni). [Unboxify](#) unboxed division was started in 2021, with the vision of resolving the ever-increasing amount of global e-commerce returns.
