

2023 AASL National Conference presents Masculinity and Femininity by Dr. Colm McAindriu

Author Dr. Colm McAindriu to Participate in the 2023 AASL National Conference at Tampa Convention Center

Tampa, Florida Oct 17, 2023 (Issuewire.com) - Dr. Colm McAindriu, renowned author and researcher, is thrilled to announce his participation in the upcoming 2023 AASL National Conference, one of the biggest librarian book fair events in the country. The conference will take place from October 19 - 21, 2023, at the Tampa Convention Center in Tampa, Florida.

Dr. McAindriu's book, *Masculinity and Femininity*, will be exhibited under the prestigious Authors Press company and will be available for purchase at booth 414. The book, priced at \$15.99 for the paperback edition, delves into the intricate relationship between masculinity and femininity, challenging traditional notions and exploring the importance of recognizing and honoring diversity in all its forms.

In *Masculinity and Femininity*, Dr. McAindriu draws from his personal experiences growing up in Jim Crow Mississippi's Delta, his time in Chicago, and his military service. Through these experiences, he questions the limitations of white male Protestant masculinity and its failure to acknowledge the voices and contributions of femininity and black males. The book serves as a call to action for white masculinity to mature and embrace diversity, recognizing the value of differences and the essence of loving singularities.

Dr. McAindriu's participation in the 2023 AASL National Conference is a testament to his expertise and dedication to promoting dialogue and understanding in the field of gender studies. His book offers a fresh perspective on masculinity and femininity, challenging readers to reevaluate their preconceived notions and embrace a more inclusive worldview.

About the Author:

Dr. Colm McAindriu is a highly accomplished author and researcher, with a passion for self-realization as a life-purpose. After leaving for Chicago in 1963, he joined the military and later obtained two Doctorates. Currently working on his third Ph.D., Dr. McAindriu's research focuses on self-realization and its impact on personal growth and development. In his free time, he enjoys scenic drives, reading, and meditation. His dedication to self-realization research, study, and writing has earned him a well-deserved reputation in the field.
