Author Burton Flanagan to Participate in the 2023 AASL National Conference at Tampa Convention Center

Tampa, Florida Oct 14, 2023 (Issuewire.com) - Renowned author Burton Flanagan is set to showcase one of his acclaimed works in one of the biggest librarians book fair events, the 2023 AASL National Conference, held at the Tampa Convention Center in Tampa, Florida. The conference will take place from October 19 to 21, 2023, and will provide an excellent platform for authors, publishers, and

librarians to connect and showcase their literary works.

Flanagan's highly acclaimed book, *The White Rose*, will be exhibited under the prestigious Authors Press company at booth 414. This gripping historical novel sheds light on the heroic efforts of the White Rose, a student resistance group that operated in Nazi Germany. The group, led by Hans Scholl, Sophie Scholl, and Christoph Probst, engaged in passive resistance by distributing anonymous pamphlets denouncing Hitler and his regime. Despite their courageous efforts, they were eventually captured by the Gestapo, tried, and executed.

The White Rose serves as a powerful reminder of the importance of standing up against injustice and fighting for what is right, even in the face of extreme adversity. Flanagan's meticulous research and compelling storytelling make this book a must-read for history enthusiasts and those interested in the resilience of the human spirit.

The White Rose is available for purchase at the Authors Press booth, booth 414, during the conference. The book is priced at \$5.90 for the paperback edition and \$3.99 for the Kindle version.
