WAND
Chuck Champlin

Frankfurt, Hessen Oct 12, 2023 (Issuewire.com) - Chuck Champlin, renowned author and advocate for creative contributions that promote peace and understanding, is thrilled to announce his participation in the Frankfurt Book Fair 2023. The event, one of the biggest book fairs in the world, will take place from October 18th to 22nd, 2023, in Frankfurt, Germany.

Champlin's book, *Wand*, will be exhibited under the banner of Authors Press, a leading publishing company. Attendees will have the opportunity to purchase the book at the Authors Press booth, located in Halle/Hall 6.1 E45.

[Wand](#) tells the story of Chris Walkman, who finds himself facing an unusual problem. With \$20,000 in his hands, he embarks on a mission to make the world a better place, starting in his hometown of Los Angeles in the 1990s. Fueled by the magic of money and his vivid imagination, Walkman hires a homeless man as a co-pilot and sets out to effect positive change. His unique insight is that the pen and television broadcast antennas are wands that can still make magic in our time.

Chuck Champlin, a versatile writer and journalist, has had a diverse career that includes being a corporate communications executive at the Walt Disney Company, a bicycle inventor, a rock drummer, and an active member of Toastmasters clubs and Optimist clubs. Through his work, Champlin aims to inspire individuals to tap into their creative potential and contribute to a better future.

At Disney, Champlin played a pivotal role in supporting the success of the Children's Summit at Disneyland Paris in the 1990s. Working closely with Disney offices worldwide and the United Nations Educational, Scientific and Cultural Organization (UNESCO), he helped foster peace and understanding among children from different cultures.

In addition to *Wand*, Champlin has authored the non-fiction book, *Think Like a Molecule*, which celebrates the incredible fact that matter in the universe has given rise to thinking minds capable of intentionally creating new possibilities for a better future.

Wand is available for purchase at [Authors Press](#), Creative Books, Sweet A's Book Cafe, [Amazon](#), [Barnes and Noble](#), and all other major online book retailers. Chuck Champlin's participation in the Frankfurt Book Fair 2023 promises to be a highlight of the event. Visit the Authors Press booth, Halle/Hall 6.1 E45, to get your copy and embark on a journey of imagination and inspiration.
