

2023 Industrial Transformation Mexico Show focus on “Service of Zhejiang Serve the World”

Toluca, Mexico Nov 15, 2023 ([Issuewire.com](https://www.issuewire.com)) - 2023 Zhejiang Service Trade(Mexico) Digital Industrial was held in Leon from Oct.4th to 6th2023, which is the industrial city in Mexico sponsored by the Zhejiang Department of Commerce.

This is the first time, Zhejiang Enterprises has attended a professional exhibition face to face in South America. This time, Zhejiang has organized brand companies in a digital industrial area, including brand companies, self-research, and potential companies. Zhejiang focus on digital factory?robot?digital instrument?IoT compressor?intelligent electrical solutions etc. Though Industrial Transformation Mexico shows, enterprises can make mutual communication with industry, and promote the digital service trade cooperation. meanwhile, it also provides technical research and service outsourcing.

During these three days, through Zhejiang Service Trade (Mexico) digital industrial exhibition with exhibition display and theme presentation is a way to let professional visitors know the technical research results in Zhejiang in the digital industrial and service trade area. Since the establishment of diplomatic relations between China and Mexico 50 years ago, especially since the establishment of a comprehensive strategic partnership between the two countries in 2013, bilateral relations have entered the fast lane of development and mutually beneficial economic and trade cooperation has yielded fruitful results. Mexico is China's second-largest trading partner in Latin America, and China is Mexico's second-largest trading partner in the world, with bilateral trade volume reaching a record high in 2021, up 41.9% year-on-year to US\$86.6 billion. There is great potential for future development.
