

Atlas SoftWeb Wins Gold at The Muse Creative Awards 2023

We are excited to announce that Atlas SoftWeb's hard work has been recognized and celebrated at the prestigious MUSE Creative Awards. It fills our team with joy to be among the esteemed winners.

Ahmedabad, Gujarat Oct 20, 2023 ([Issuewire.com](https://www.issuewire.com)) - Atlas SoftWeb, an award-winning [web design agency in India](#), is proud to share its incredible achievement of winning Gold in the prestigious MUSE Creative Award 2023. This award recognizes the team's immense hard work, creativity, concept, dedication, and execution that went into creating an exceptional French Culture website for the French Embassy in the United States.

The MUSE Creative Awards, established in 2015 by the International Awards Associate (IAA) honors and celebrates innovation and excellence in the advertising, digital media, and creative design fields. With numerous entrants across the globe, Atlas SoftWeb effortlessly grabbed the Gold MUSE Award in the "Website – Government" category because of their unwavering hard work, creativity, and commitment to successfully complete The French Culture government project.

Atlas SoftWeb had the crucial task of designing and developing an outstanding WordPress website for the Embassy of France in the United States. The Atlas SoftWeb's team of experienced professionals started working on the project with full enthusiasm and dedication. Along with designing the website, the team also had the responsibility of maintaining the website.

Atlas SoftWeb successfully built a responsive device-friendly, user-centric, easy-to-navigate, and visually appealing government website and delivered it on time, exceeding the client's expectations. They were praised for their exceptional detailing, dedication, and creative approach to developing a

unique and well-designed website. [Hire an SEO Expert from India](#) to increase your online visibility and achieve remarkable results.

Muse Creative Awards for Our Work on The French Culture Website

“We are immensely proud to receive the Gold award at the Muse Creative Awards for our work on the French Culture Website for the French Embassy in the US. This recognition reaffirms our commitment to excellence, creativity, and our ability to deliver innovative solutions that make a real impact. It was an incredible journey working with the French Embassy, and we are grateful for the opportunity to contribute to promoting French culture in the United States,” said Mr.Rajan, CEO of Atlas SoftWeb.

For the MUSE Awards, an esteemed Judges Panel of senior-level and highly experienced professionals from different fields assessed all the entries based on a particular criteria set. The judgment was done on a scale of 1-100 and a comprehensive criteria set that highlights creativity, content, visual design, innovation, and impact of the project.

In such a competitive assessment, winning a Gold Muse Creative Award is a testament to Atlas SoftWeb’s expertise, collaborative team spirit, hard work, and dedication to delivering innovative digital solutions to their clients.

Atlas SoftWeb is proud to have its hard work acknowledged at the MUSE Creative Awards, and the team is thrilled to be among the prestigious winners. This recognition strengthens the company’s position as a leading digital solutions provider and reinforces the team’s dedication to setting new benchmarks in the industry.
