Get to know Plastic Surgeon Dr. Brandon Richland, who serves patients in California.

New York City, New York Feb 9, 2026 ([Issuewire.com](https://www.issuewire.com)) - With a natural propensity for excellence, Dr. Richland has held himself to the highest standard, from his academic career to every procedure he performs as a board certified plastic surgeon in Southern California today. He artfully combines his extensive training, natural skill, and a modern approach to deliver each patient's ideal look through detail-driven plastic surgery in Fountain Valley and Newport Beach.

With intense care for his patients, ever-present diligence, and determination to achieve pinnacle results, Dr. Richland precedes every procedure with a thorough and comprehensive consultation process. This allows him to develop a deep understanding of each patient's unique needs, anatomy, lifestyle, and desired outcome to create a meticulously tailored treatment plan and achieve seamlessly exquisite results.

Another facet of Dr. Richland's pursuit of extreme excellence is his passion for innovative techniques and technologies. He keeps his finger on the pulse of the latest aesthetic treatments and breakthroughs to ensure that his patients receive the best of the best.

"I love the field of plastic surgery. Everything from being on the forefront of innovation to making you look and feel like a better version of yourself. I am a perfectionist at heart, which is why I was drawn to not only the field of medicine, but specifically to plastic surgery."

Educated in the United States, Dr. Richland takes pride in graduating from University of California, Los Angeles (UCLA) where he began his medical career at the Ronald Reagan UCLA Medical Center. He received his Medical Degree from Saint Louis University School of Medicine, where he was elected to the Alpha Omega Alpha (AOA) and Alpha Sigma Nu Medical Honor Societies and earned the Top Surgery Student Award. He feels fortunate to have gained significant experience early on at one of the most hands-on training programs in the country.

Subsequently, he completed six years of training in plastic and reconstructive surgery with the Department of Plastic Surgery at University of California, Irvine (UCI), where he trained with some of the leading surgeons in Orange County. There, he honed his surgical skills and understanding of the intricacies of complex operations.

Offering an unsurpassable treatment experience and impeccable results, Dr. Richland holds the distinction of being a Diplomate of the American Board of Plastic Surgery (ABPS). The mission of the ABPS is to promote safe, ethical, efficacious plastic surgery to the public by maintaining high standards for the education, examination, certification and continuous certification of plastic surgeons as specialists and subspecialists.

Actively involved with healthcare and medical societies, Dr. Richland is a member of the American Society of Plastic Surgeons, the American Society of Aesthetic Plastic Surgeons, and the California Society of Plastic Surgeons.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories - reconstructive surgery and cosmetic surgery. A plastic surgeon's primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.
