

Cherish Every Golden Moment with Heartwarming Board Book – "Golden Babies!"

"Golden Babies!" is a heartwarming board book featuring an adorable litter of 13 golden retriever puppies, sure to enchant both toddlers and parents.

Helena, Montana Oct 27, 2023 ([Issuewire.com](http://www.Issuewire.com)) - Prepare to be captivated by the adorable charm of *Golden Babies!* This endearing book, poised to become a cherished bedtime companion, creates lasting memories for families to share. Whether enjoyed one-on-one or in a group, *Golden Babies!* guarantees to bring a smile to your face and warmth to your heart.

The vibrant images from renowned wildlife photographer and biologist, Henry H. Holdsworth, are paired with catchy rhymes, making *Golden Babies!* a perfect tool for early learning and language development.

Henry H. Holdsworth has spent over forty years photographing wildlife and wilderness landscapes. Educated as a biologist with a background in animal behavior, Holdsworth has traveled extensively to capture wildlife from all over the world—but this time shares his love of his beloved golden retrievers from his own backyard. Holdsworth has published several books with Farcountry Press, and his work has appeared in many publications such as *National Geographic*, *Ranger Rick*, and *National Wildlife*.
