

## Clio Musurakis, MD, an Endocrinologist with Beth Israel Deaconess Medical Center

Get to know Endocrinologist Dr. Clio Musurakis, who serves patients in Boston, Massachusetts.

**New York City, New York Oct 5, 2023 ([Issuewire.com](https://www.issuewire.com))** - Dr. Musurakis is a prominent endocrinologist practicing in the vibrant city of Boston. She is deeply committed to preventing, diagnosing, and treating diseases related to the intricate and essential endocrine system. Her extensive expertise encompasses a wide array of conditions, ranging from PCOS and various thyroid disorders,

including hypo- and hyperthyroidism, to thyroid cancer, osteoporosis, diabetes, and disorders affecting the pituitary and adrenal glands, among others.

With a comprehensive educational background, she earned her Medical Degree from the esteemed Aristotle University of Thessaloniki in Greece. She subsequently completed her Internal Medicine residency at Saint Francis Hospital in Evanston, IL. Her journey toward excellence continued as she further refined her skills through an Endocrinology, Diabetes, and Metabolism fellowship at Rosalind Franklin University/Chicago Medical School, IL.

Dr. Musurakis holds board certification from the American Board of Internal Medicine (ABIM), a nationally recognized organization dedicated to certifying internal medicine physicians who have achieved a rigorous standard of education, training, and knowledge. She currently serves as an Endocrinologist in Boston at Beth Israel Deaconess Medical Center, a distinguished Harvard Medical School Teaching Hospital.

As a testament to her unwavering commitment to health education, Dr. Musurakis is the founder and Main Editor of "Body Positive MD," a health information website meticulously crafted to enlighten the general public and promote preventive and holistic health practices. Her fervor for disseminating knowledge and empowering individuals to take control of their health underscores her dedication to the well-being of her community.

On a more personal note, Dr. Musurakis is fluent in both English and Greek. She takes pleasure in exploring new cities and culinary experiences with her husband and cherishes quality time spent with her family.
