Bengaluru, Karnataka Nov 1, 2023 ([Issuewire.com](https://www.issuewire.com)) - Si6 Associated Private Limited announced today that its [Cloud based Intelligent Student Management Platform](#) is now available on the SAP® Store site and is part of SAP's industry cloud portfolio for the Education industry.

[Cloud based Intelligent Student Management Platform](#) leverages integration capabilities of SAP Business Technology Platform (SAP BTP) to integrate with SAP S/4HANA Cloud using SAP Integration Suite to help deliver faster ROI to customers.

“In the education sector, clients demand a holistic, fully-integrated solution that can efficiently manage their **enterprise functions and academic operations, covering everything from Acquisition Management to Alumni Engagement**, all within one integrated platform with configurable frameworks. To address this demand, Si6 has developed a solution as part of SAP's industry cloud portfolio, said **Srikanth Bikumandla, CEO of Si6 Associates Pvt Limited**.

The solution:

- Consolidates 25 fragmented applications into one, eliminating multiple subscription costs and integrations
- Integrates with SAP S/4HANA Cloud to help customers adopt a core clean strategy
- Offers pre-integrations with popular open-source apps like LMS, Scheduler and many others,

making the overall transformation more cost effective

To enable companies to become intelligent enterprises, SAP is expanding its vertical solutions with an ecosystem of [industry cloud solutions](#). The solutions leverage the SAP Business Technology Platform (SAP BTP), with advanced technologies, and are interoperable with SAP's intelligent suite. Si6 Associates Pvt Limited has worked with SAP to create offerings that meet specific, education industry requirements to provide customers with tools to help achieve positive business outcomes. [Learn more at SAP Store](#).

"The [Cloud based Intelligent Student Management Platform](#) developed by Si6 Associates Pvt Limited complements our portfolio and helps enable K-12, higher education and ministries to simplify their tech stack, offering added value for our customers," said **Finn Backer, global head of SAP Industry Cloud Channel**. "This is a prime example of how co-innovation between our organizations can deliver value for customers. We look forward to continued collaboration with Si6 Associates Pvt Limited to create innovative cloud solutions and applications for customers who want to drive cost-effective and sustainable growth in their industry."
