### Major Players Listed in the Report are as Follows:

Magellan Health Inc., Acadia HealthCare, Universal Healthcare Services Inc., Springstone, American Addiction Centres, Peoples Care Holding Inc., Behavioral Health Group & Other Players.

### Market Overview:

The Cognitive Behavioral Therapy (CBT) Market's growth can be attributed to several key factors:

**Mental Health Awareness:** An increasing awareness of mental health issues and the importance of seeking evidence-based treatment has driven the demand for CBT, making it a central pillar of mental health care.

**Evidence-Based Approach:** CBT's effectiveness and research-based foundations have made it a widely adopted therapeutic approach for mental health conditions, such as anxiety, depression, and post-traumatic stress disorder.

**Economic Recession:** The market has continued to thrive during the recent economic recession, as mental health care and CBT services have become essential components of healthcare systems.

**Geopolitical Tensions:** The ongoing Russia-Ukraine conflict has not deterred the market's growth. The importance of mental health and well-being transcends borders, emphasizing the market's resilience.
