

Dynamic Band The Chain Of Eris Caters To Fans With Its Latest Musical 'Chambres & Cordes'

The Chain Of Eris, a US-based band presents a powerful musical frame 'Chambres & Cordes', leaves the audience speechless with its exceptionally gorgeous soundscapes.

Hartford, Oct 18, 2023 ([Issuewire.com](https://www.issuewire.com)) - There is something of an unexpectedly accessible, raw metal tone to the vocals of the musicians of the colossal rock band **The Chain Of Eris**. The dark folk metal band was formed back in 2018. Their creations strike a riveting balance between heaviness and unreality, combining elements of intense folk and sludge metal. The stunning lyrics are highly impacted by German and French poets of the 1910 to 1940 time frame. On the top of the fine structure of '[Chambres & Cordes](#)', the long riffs and cascading intricacies, lightly affected vocals added a reflection of the passion and the evocative tone of the vocal grips of the dynamic musical brilliance. Brilliant musicianship brings precision and creativity with sheer proficiency and passion.

Well, the band has already started to turn the rock and metal fans' heads turned with its attention-grabbing musicals. The musicians have worked on a record that consists of very new material, named the project 'WRONG' which is brilliantly contrasting with a stunning background score, and high vocal notes, reflecting emotions, pain, and delight at the same time. '[Chambres of Cordes](#)' gorgeously features the hints of progressive rock and that dreamy composition combines the melody and intensity finely. It further presents an aura as the band defines it, "Chasing the ghosts of beauty under the gaze of Johannes Brahms". However, this five-minute twenty-nine-second sound trap

allows the listener to delve into the fast-paced metal. This dark folk metal band represents dark shades, which is even darker for the all-black ensemble. Well, they seem forever unsettled, without disclosing the space of other companies.

Moreover, the United States-based musical band has spread its radiant charm with brilliant musicals. 'Passenger', 'Machines', 'Preludes of Storm', and 'Beautiful Girl' have managed to gather attention and praise for their refreshing charm and boundless creativity. The band is currently preparing for the 2024 tour and will share every update on social sites like [Facebook](#) and [Instagram](#).
