

Emisha Innovations Named as a 2023 Comcast Rise Grant Recipient

Company to Benefit from Comprehensive Support, Including Marketing Commercial and Business Services

Portland, Oregon Oct 9, 2023 ([Issuewire.com](https://www.issuewire.com)) - Emisha Innovations, a trailblazing company specializing in custom CRM software and pioneering advances in optical computing hardware, is proud to announce its selection as a [2023 Comcast Rise Business Grant](#) recipient. The accolade recognizes Emisha Innovations' unwavering commitment to producing environmentally sustainable products while emphasizing the importance of the American workforce. With a blend of cutting-edge tech solutions and innovative software offerings, the company has swiftly established itself as a key player in both the technology and semiconductor industries.

Amidst fierce competition of over 5,000 applications, Emisha Innovations, under the visionary leadership of CEO Jerritt Thomas, emerged as one of the elite 500 businesses chosen for this prestigious grant. This Comcast Rise Grant represents more than monetary support; it affirms Emisha's potential and value to the industry. As part of the award, over the next year, Emisha will benefit from enhanced technology support, comprehensive business services, augmented cybersecurity provisions, and an exciting opportunity to develop a commercial set to air on the West Coast. The company also looks forward to the business consultation award, which promises one-on-one coaching and a treasure trove of resources through platforms like Hello Alice and LinkedIn.

In response to the honor, CEO Jerritt Thomas expressed, "This grant is a testament to our team's hard

work and the unique value proposition we bring to the market. We're deeply grateful to Comcast for this recognition and are eager to capitalize on these opportunities, further cementing our position in the industry."

As Emisha Innovations continues its trajectory of innovation and growth, all eyes will be on the transformative impacts of the Comcast Rise Grant.

****About Emisha Innovations**:**
