

Enterprise Wired Magazine Unveils "The Most Iconic Leaders In Business - 2023"

Enterprise Wired features the stories of successful businesses across various industries, that are reimagining their strategies and redefining their value propositions.

San Jose, California Oct 15, 2023 ([IssueWire.com](https://www.issuewire.com)) - [Enterprise Wired Magazine](#) is thrilled to announce the release of its latest digital magazine, "[The Most Iconic Leaders In Business - 2023](#)." This special edition delves into the remarkable journeys and achievements of some of the most influential figures in the business world today.

Zarine Manchanda Graces the Cover

One of the highlights of this issue is the captivating cover featuring [Zarine Manchanda](#), a visionary leader renowned for her outstanding contributions to the business landscape. Her insights, strategies, and leadership style have not only driven success within her organization but have also inspired countless others in the business community.

Zarine comprises a remarkable and diverse portfolio, earning recognition as a distinguished philanthropist and community advocate, and serving as the CEO of the Zarine Manchanda Foundation. This dynamic Mumbai, India-based nonprofit organization, established in 2019, has overseen 400 charitable initiatives, providing vital resources such as food, clothing, and other essentials to the most underprivileged residents of Mumbai.

Accomplishing the role of CEO in the businesses that carry her name, Zarine focuses on them and makes sure that they attain consistently high performance to meet strategic goals. It must reflect the balance between clear, bold, and long-term vision with vigorous regular monitoring of whether goals are accomplished.
