

Fariba Hemat, DDS, a Dentist with Cosmetic and Laser Dentistry of Orange County

Get to know Dentist Dr. Fariba Hemat, who serves patients in Garden Grove, California.

New York City, New York Oct 30, 2023 ([IssueWire.com](https://www.issuewire.com)) - A committed dental professional, Dr. Hemat specializes in general, family, and cosmetic dentistry, encompassing dental makeovers, porcelain veneers, teeth whitening, dental implants, dentures, laser gum treatments, and a wide array of dental procedures

With a patient-centric approach, Dr. Hemat warmly welcomes individuals of all ages, from young toddlers to senior members, at Cosmetic and Laser Dentistry of Orange County, of which she is the owner.

Conveniently situated on Magnolia Street, Cosmetic and Laser Dentistry of Orange County is dedicated to providing exceptional dental care to the residents of Garden Grove, California, and the neighboring regions. The dental practice combines over a decade of experience with modern technology and a compassionate chairside manner to provide the quality dental care that patients and their loved ones deserve.

“Whether your little one needs their first teeth cleaning, your teen wants to whiten their teeth for prom, or your spouse needs a sleep apnea appliance to alleviate snoring, you can rely on our team to help” as stated on their website.

Boasting more than 20 years of experience in her profession, Dr. Hemat earned her Doctor of Dental Surgery Degree from the University of California, Ostrow School of Dentistry in 2002.

Among her dental affiliations, she is an active member of the Academy of General Dentistry, the American Academy of Cosmetic Dentistry, and the American Academy of Dental Practice Administration.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.
