

FinSMART Accounting Joins Woodard Summit 2023 to Help CPAs Solve Capacity Challenges

Leading accounting outsourcing company of India will be joining Woodard Summit 2023 to provide accounting firms and CPAs with an unparalleled opportunity to collaborate, learn, and grow.

Pune, Maharashtra Oct 26, 2023 ([Issuewire.com](https://www.issuewire.com)) - FinSMART Accounting, trusted globally for [offshore bookkeeping services](#), recently announced that it is all set to take part in the highly anticipated Woodard Summit 2023.

The Woodard Summit is an exclusive segment of Woodard's Membership Program. Spanning 4 days, it is designed to create and facilitate accounting and CPA firm owners to chart out their strategic growth plan of their firm for the next 3-5 years. This is one of its kind of programs where there is intense learning, collaboration, and idea sharing for small firm owners on the growth of their firms. The program will serve as a pivotal platform for bookkeeping professionals and CPAs seeking innovative solutions to overcome capacity and growth constraints. Attendees can expect a comprehensive experience that will bring hands-on workshops, engaging discussions led by industry thought leaders and access to subject

matter experts.

Maanoj Shah - Director of Growth Strategy and Alliance - will be representing Finsmart Accounting as an expert in solving capacity challenges through offshoring. CPAs and accounting firms globally are struggling with accounting talent acquisition, and have started addressing the human resource challenge through offshoring. While expressing his enthusiasm for the upcoming event, he shared:

"Our participation in Woodard Summit 2023 underscores our commitment to addressing critical industry needs. We firmly believe that our offshore proficiency can be a transformational asset for CPAs and accounting organisations interested in practice advancement and higher profitability."

Woodard Summit will commence on October 18 to 21, 2023 and will be conducted at the Hilton Denver Inverness Resort in Denver, CO. Beyond the immersive workshops and expert-led discussions, attendees can anticipate a dynamic program that includes strategic planning, relationship building, and fostering collaboration opportunities.

As the Woodard Summit draws nearer, Shalaka Joshi - Founder and Director, of Finsmart Accounting - also shared her anticipation and vision for the event.

"Finsmart is eager to engage with industry leaders and bookkeeping professionals at Woodard Summit 2023. This event presents a unique opportunity for all of us to collaborate, learn, and grow together. We are excited to contribute to the collective success of all participants by creating awareness around offshoring ."

Over the last decade, Finsmart Accounting has emerged as a leading name for global [outsourced bookkeeping solutions](#) and has also built a reputation for helping the accounting industry with Bookkeeping, Accounting, and Tax Prep Services besides it also helps business that wants to enter India its [India entry consulting](#), RBI Compliances, Indian law compliances, and managing Accounts Receivables and Payables Process outsourcing. The company also opened an office in New York to support its international clients last year.
