

Governor Kotek Collaborates with Industry Professionals at Village at Valley View to Enhance Senior Living Services

Governor Tina Kotek, as part of her statewide #OneOregon listening tour, visited Village at Valley View Memory Care, a state-of-the-art memory care facility located in Ashland, Oregon.

Ashland, Oregon Oct 16, 2023 ([Issuewire.com](https://www.issuewire.com)) - This visit marked a significant step in Governor Kotek's mission to understand the challenges faced by the senior living industry and long-term care providers. The focus was on collaboration with industry professionals to uncover best practices and areas for improvement, ensuring that the needs of Oregon's aging residents are met effectively.

Village at Valley View Memory Care, a shining example of excellence in senior memory care, offers a safe, engaging, and homelike environment tailored for individuals with Alzheimer's and other age-related memory impairments. The community comprises three thoughtfully designed cottages, each providing residents with the comforting ambiance of home. With a centrally located kitchen, cozy living area, and beautifully manicured outdoor spaces, the community prioritizes residents' well-being and comfort. Village at Valley View's mission is to ensure our residents receive the highest quality of care, guaranteeing their golden years are lived with dignity, respect, and comfort.

Governor Kotek's visit was not merely a tour but a collaborative effort to bridge the gap between policymakers and industry professionals. Engaging in meaningful conversations with staff and residents, Governor Kotek sought firsthand insights into the challenges faced by both caregivers and seniors. Village at Valley View Administrative team was able to share about the unique requirements of memory care facilities and the broader senior living industry.

With a reputation for excellence, Lenity Management, the local operator of Village at Valley View Memory Care played a pivotal role in facilitating this collaborative initiative. Lenity Management, a respected senior living provider, operates eleven communities across the Pacific Northwest (website: agingways.com). Their expertise and dedication to enhancing the lives of seniors are evident throughout each of their community's design, amenities, and personalized care programs. Lenity Management's expertise and dedication are apparent in the innovative programs offered at Village at Valley View Memory Care.

"We are honored to have Governor Kotek visit Village at Valley View Memory Care and witness firsthand our commitment to providing exceptional care for individuals with memory impairments," said Mike Morris, President and CEO at Lenity Management. "Collaborative efforts like these are instrumental in shaping policies that support our seniors, and we are grateful for the opportunity to contribute to this important dialogue." The information shared during this visit will provide insight into the current climate to assist Governor Kotek's efforts in developing policies that address the evolving needs of Oregon's aging population.
