

# Investkraft Launch All-in-One SuperApp for Seamless Financial Services

Investkraft, a leading financial services provider, has unveiled its new mobile application, Investkraft: Mutual Funds, Fixed Deposit, Personal Loan & More. The app is now available for download on Android and iOS devices.

A promotional graphic for the Investkraft app. On the left, the InvestKraft logo is displayed in blue and orange. Below it, three dots precede the text 'PAY, INVEST, BORROW AND LEND WITH INVESTKRAFT' in bold blue capital letters. Underneath this text is a 'DOWNLOAD NOW' button in a rounded rectangle, followed by the Android and Apple logos. Below the logos, it says 'from the Android or iOS app stores'. At the bottom, the website 'www.investkraft.com', email 'care@investkraft.com', and phone number '+91-9104120412' are listed. On the right side, there are three circular images: the top one shows hands typing on a laptop, the middle one shows two people shaking hands, and the bottom one shows a small plant growing out of a jar of coins. The background is white with blue geometric shapes and lines.

**Delhi, India Oct 26, 2023** ([Issuewire.com](https://www.issuewire.com)) - Investkraft introduces its revolutionary mobile application, offering a comprehensive range of financial services, including mutual funds, fixed deposits, personal loans, and more. The app aims to simplify financial management and empower users to pay, invest, borrow, and lend with ease.

Investkraft, a leading financial services provider, is proud to announce the launch of its new mobile application, Investkraft: Mutual Funds, Fixed Deposit, Personal Loan & More. The app provides users with a one-stop solution for all their financial needs, offering a wide range of services accessible at their fingertips.

[Investkraft's SuperApp](#) offers a seamless and user-friendly interface, allowing users to access various financial services conveniently. With features like personal loans, fixed deposits, mutual funds, credit score checks, and instant loans, users can manage their finances effortlessly.

"We are thrilled to introduce Investkraft, a SuperApp that brings together all financial services under one roof," said Mr. Gaurav Bansal, CEO of Investkraft. "Our goal is to provide a hassle-free, transparent, and paperless experience for our users. With Investkraft, individuals can easily pay bills, invest in mutual funds, check their credit score, and even apply for personal loans, all within a single platform."

Investkraft's SuperApp offers a wide range of financial services, including mutual funds, fixed deposits, personal loans, home loans, loan against property, medical loans, and more. Users can also access informative blogs, use financial calculators, and get in touch with Investkraft's dedicated customer support team.

### **The app's key features include:**

**Mutual Funds:** Explore and invest in a diverse range of mutual funds tailored to different financial goals, such as retirement planning, children's education, and wealth creation.

**Fixed Deposits:** Discover attractive fixed deposit options and invest securely for stable returns.

**Insta Loan:** Access instant loans for urgent financial needs, with a quick and hassle-free application process.

**Credit Score Check:** Monitor your credit health by generating free credit reports and making informed financial decisions.

**Personal Loan:** Apply for personal loans to meet various financial requirements, such as debt consolidation, home renovations, or funding a special occasion.

**Medical Loan:** Obtain financial assistance for medical expenses, including hospital bills, surgeries, treatments, and medications.

**Business Loan:** Access funding options to support business growth, expand operations, or launch new ventures.

**Home Loan:** Fulfill your dream of owning a home with flexible home loan options, competitive interest rates, and convenient repayment terms.

Investkraft's SuperApp is available for download on both Android and iOS devices. Users can simply scan the QR code or search for "Investkraft" in their respective app stores to access the app.
