London, United Kingdom Oct 17, 2023 ([IssueWire.com](https://www.issuewire.com)) - it.com Domains has officially become Platinum Members of both DNForum and Acorn Domains, making them the latest additions to the elite group of domain professionals on Acorn Domains and the DNForum member family.

We are thrilled to welcome it.com Domains and their dynamic team into our cherished, thriving, and highly respected forums.

DNForum.com: As the oldest active global domain name forum, DNForum has been a hub for domain enthusiasts, investors, and professionals since 2001. With the addition of it.com Domains as Platinum Members, our community stands to benefit from their expertise and valuable contributions.

AcornDomains.co.uk: Acorn Domains, established in 2004, holds the distinction of being the number one UK domain name investor and domain name professional forum. The inclusion of it.com Domains as Premium Members will undoubtedly enhance the knowledge sharing and networking opportunities within the UK domain industry, especially for those who look into business opportunities within the domain name industry beyond domain name investing.

We anticipate that the wealth of experience of it.com and insights will further enrich the discussions, transactions, and collaborations within both DNForum.com and AcornDomains.co.uk. We are excited about the possibilities that this collaboration opens up and look forward to the positive impact it will have on our community.

Join us in extending a warm welcome to it.com Domains and celebrate this exciting moment for DNForum and Acorn Domains. We can't wait to see how their presence will contribute to our shared passion for domain names.

Thank you for being a part of our vibrant domain community, and here's to many more years of growth, learning, and success together!

Warm regards,

Helmuts
