

Karine Yeghoyan, MD, an Internist with San Fernando Internal Medicine

Get to know Internist Dr. Karine Yeghoyan, who serves patients in California.

New York City, New York Oct 31, 2023 ([IssueWire.com](https://www.issuewire.com)) - Dr. Yeghoyan is a well-versed physician in the field of internal medicine. She founded San Fernando Internal Medicine in 2016 to deliver high quality, integrative care to the San Fernando Valley.

With offices situated in Mission Hills and Porter Ranch, California, Dr. Yegoyan is committed to making a positive impact on her patients' lives by delivering comprehensive, high-quality care within a warm, compassionate, and respectful environment. Her goal is to enhance her patients' well-being and overall quality of life while empowering them to actively participate in their healthcare decisions.

In addition to her clinical practice, Dr. Yeghoyan serves as a Clinical Instructor in the Department of Medicine at Yale University School of Medicine and holds affiliations with Providence Holy Cross Medical Center.

Her academic journey commenced with a Medical Degree earned at Yerevan State Medical University in Armenia. She later made her way to the United States, where she completed her residency in internal medicine at Albert Einstein Montefiore Medical Center in New York.

Specializing in the medical treatment of adults, Dr. Yeghoyan is board certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

On a more personal note, Dr. Yeghoyan is fluent in English, Armenian, and Russian.
