

Leawo Software Announces 2023 Halloween Online Sale to Win DVD Creator Freebie and Get 60% OFF Ultimate DVD Toolkit

Leawo just announced the launch of their 2023 Halloween online sale, offering DVD Creator as freebie and its upgrade offer Ultimate DVD Toolkit at 60% off. This activity will run until Nov. 15, 2023.

Shenzhen, Guangdong Oct 26, 2023 (Issuewire.com) - Across the country, various retailers are churning out Halloween seals, deals, and special offers in the weeks leading up to Halloween night on Tuesday, October 31. Leawo Software, a leading multimedia software developer dedicated to providing practical and useful software to customers worldwide, is excited to announce their [2023 Halloween Free Giveaway Gift & 92% OFF online sale](#). The promotion will run until November 15, 2023, giving customers the opportunity to enjoy exclusive discounts and grab free products.

As part of the Halloween festivities, Leawo Software is offering their [DVD Creator](#) as a free giveaway gift. DVD Creator is a user-friendly DVD burning program that allows users to create DVDs from videos in various formats effortlessly. With built-in video editing features and customizable disc menu templates, users can tailor their DVD creations to their liking. To obtain this powerful tool for free, users simply need to provide their name and email address on the promotion page, and a one-year registration code will be sent automatically.

In addition to the free giveaway, Leawo Software is also offering a staggering 60% discount on their Ultimate DVD Toolkit, which is now available at an unbeatable price of only \$63.92. This comprehensive toolkit includes four essential products: DVD Ripper, DVD Copy, DVD Creator, and DVD Cinavia Removal. The following are the functions and introductions of the remaining three products:

- [DVD Ripper](#) enables users to rip and convert DVD to video in various formats and extract audio from source DVD. It supports common video formats like MP4, MKV, H.265MP4, H.264MKV, etc., but also audio formats like AAC, FLAC, MP3, WAV, and more. With advanced DVD decryption technology, it can rip and convert DVD discs of all kinds, including region-protected, rip-protected, etc.
- [DVD Copy](#) has 3 different copy modes to deliver a quality lossless DVD backup experience. The Full Movie mode copies the whole DVD, the Main Movie mode performs movie-only backup, and Custom Mode enables users to choose desired parts of the DVD to copy. As one of the best DVD copy software, Leawo DVD Copy can copy DVD without any restriction, regardless of CSS protection and region code.
- [DVD Cinavia Removal](#), as its name suggests, can permanently and completely remove Cinavia watermark protection from DVDs, and then the Cinavia-free DVD output can be played smoothly on any DVD player without any muted audio. Additionally, it can also remove other DVD restrictions like CSS, APS, ARccOS, RC, and more. With the support of GPU graphics card accelerating technology, it can remove DVD protection at 6X higher speed.

Furthermore, Leawo Software caters to streaming enthusiasts with a discounted offer on their **CleverGet All-in-One 13**. Customers can enjoy an incredible 92% discount, saving a staggering \$2878.3 from the original price. CleverGet All-in-One 13 is an all-in-one video downloader that supports downloads from over 1000 websites, including popular platforms like YouTube, Twitter, Facebook, Netflix, HBO Max, Hulu, and many more.

"We are delighted to celebrate Halloween with our valued customers by offering these exciting deals," said Steven Zhang, CEO from Leawo Software. "Our DVD Creator and Ultimate DVD Toolkit provide users with powerful tools to enhance their multimedia experience, while the CleverGet All-in-One 13 offers a comprehensive solution for downloading online videos. We invite everyone to take advantage of our 2023 Halloween Free Giveaway Gift & 92% OFF online sale before it ends on November 15."
