

Marie-Blanche Tchetgen, MD, a Urologist with Urology Clinics of North Texas

Get to know Urologist Dr. Marie-Blanche Tchetgen, who serves patients in Flower Mound, Texas.

New York City, New York Oct 26, 2023 ([IssueWire.com](https://www.issuewire.com)) - Dr. Tchetgen is a highly regarded urologist who has been practicing in the DFW Metroplex since 2002, specializing in the treatment of a wide range of general urological conditions. Her expertise extends to addressing issues such as enlarged prostates, hematuria, kidney stones, recurrent urinary tract infections, male and female incontinence, and other voiding dysfunctions like neurogenic bladder and urinary retention.

Currently, she is in practice with Urology Clinics of North Texas, operating out of the office in Flower Mound. She also holds the vital role of Medical Director of the Pelvic Health and Reconstructive Surgery Center at the Texas Health Presbyterian Hospital in Flower Mound. In this capacity, she provides advanced diagnostic testing for pelvic floor disorders and offers the latest minimally invasive techniques to effectively manage complex pelvic organ prolapse and severe incontinence issues.

Throughout her academic career, Dr. Tchetgen graduated with her Undergraduate Degree from Ohio Wesleyan University, and her Medical Degree from the Johns Hopkins University School of Medicine. She then went on to perform her internship at UMDNJ-Robert Wood Johnson – New Brunswick, her residency at the University of Michigan – Ann Arbor, and her fellowship with the Cleveland Clinic Foundation.

Skilled and experienced in her field, the doctor is dual board certified in urology and female pelvic medicine and reconstructive surgery by the American Board of Urology (ABU). The mission of the ABU is to act for the benefit of the public by establishing and maintaining standards of certification for urologists, working with certified urologists to achieve lifelong learning to insure the delivery of high quality, safe, and ethical urologic care.

In terms of preceptorships and presentations, Dr. Tchetgen has presented on various urology topics at notable institutions such as the NMA-Urology section, Texas Urological Society, Texas Medical Board, and the PACE Preceptor program by Bard, Inc. She has also served as a speaker for Allergan and Astellas, and held the role of a key opinion leader for ACCELL, Inc.

Urology, also known as genitourinary surgery, is the branch of medicine that focuses on surgical and medical diseases of the male and female urinary-tract system and the male reproductive organs. Urologists specialize in diseases of the urinary tract and the male reproductive system. Patients may be referred to a urologist if their physician suspects they may need treatment for a condition relating to the bladder, prostate, urethra, ureters, kidneys, and adrenal glands.

Among her honors and awards, Dr. Tchetgen received the Second Prize for “Best Clinical Investigation” from the Michigan Urological Society. Her academic achievements include being a Phi Beta Kappa scholar at Ohio Wesleyan University, where she also received the Most Outstanding Student Leader Award and earned a place on the Dean’s List.

Her dedication to her field is further exemplified by the Edwin Conklin Award for Outstanding Zoology Majors and the Wesleyan Winner Award for exemplary leadership and service to the OWU community. She was also a recipient of the Dean’s Merit Award from Ohio Wesleyan University.
