

# Markeeters For US Startups & Growing SaaS Businesses: benefits of hiring remote Indian talent

**Markeeters Opens Doors to Thousands of Top Remote Marketing and SaaS Experts in India - Hire Your Scalable, Affordable Dream Team in 48 Hours**

**Atlanta, Georgia Oct 10, 2023 ([IssueWire.com](https://www.issuewire.com))** - Markeeters, the leading platform for hiring remote marketing and SaaS talent from India, today announced the official launch of its services for US startups and high-growth SaaS companies looking to scale their teams.

With its vast network of over 10,000 expert remote workers across India, Markeeters is uniquely positioned to provide startups and SaaS businesses with immediate access to an affordable, scalable "dream team" of top talent within 48 hours.

"We know the struggles startups and fast-growing SaaS companies face when trying to find experienced marketing and SaaS talent that meets their budget. Markeeters opens the door to an almost unlimited talent pool without the typical costs and challenges," said Nancy Kapoor, Head of Customer Success at Markeeters. "Our screening process identifies the top 1% of India's huge digital talent base, so we save you time while delivering outstanding remote team members ready to hit the ground running."

Markeeters offers the following benefits for US startups and SaaS companies looking to scale fast and smart:

- On-demand access to thousands of highly qualified remote marketing and SaaS experts in India
- Ability to hire top remote talent in less than 48 hours
- Significant cost savings of 60% or more compared to US hiring
- Markeeters experts are highly educated with excellent English communication skills
- All team members are fully managed by Markeeters with guaranteed results
- Flexibility to scale teams up and down as business needs change

With Markeeters, the only limit is your ambition. To learn more or hire your remote India talent team, visit [www.markeeters.com](https://www.markeeters.com) today.

About Markeeters: Markeeters enables startups and SaaS companies worldwide to build and scale excellent remote teams by providing frictionless access to the top 1% of India's digital marketing and SaaS talent. The company's network of over 10,000 experts serves fast-growing businesses across the globe. Markeeters is headquartered in Gurgaon, India.
