

Mina Aidun, Recognized by BestAgents.us as a 2023 Top Agent.

Assisting buyers, sellers, and investors and witnessing the excitement in their eyes brings Mina immense joy.

New York City, New York Oct 9, 2023 ([Issuewire.com](https://www.issuewire.com)) - Mina is a top-producing realtor based at McEneaney Associates in Vienna, Virginia. Since joining the firm in 2019, she has established herself as a trusted advisor, having assisted over 70 families with their real estate needs.

Her unyielding dedication to helping families navigate the intricacies of buying, selling, and renting homes is her true motivation. Mina understands that the process of buying or selling a home is both complex and deeply personal, and sees it as a responsibility, not just a transaction. In every interaction, her mission is crystal clear: to ensure that each client enjoys the best possible real estate experience.

A proud resident of the Oakton/Oak Hill area in Northern Virginia since 1994, Mina graduated from UC Davis, providing her with an intimate understanding of the local community.

With a background in education, she previously served as a teacher at Nysmith School for the Gifted in Herndon, Virginia, where she taught preschool to 3rd grade. This experience has equipped her with the ability to quickly grasp important real estate trends and contract knowledge, enabling her to effectively assist new homeowners in understanding the complexities of purchasing a home in a competitive market.

Mina enjoys coaching sellers on how to maximize the features of their home to bring the most qualified offers, and especially loves working with out-of-state clients and warmly welcoming them to the Capital Region.

Before embarking on her real estate career, Mina successfully established and operated her own bakery business. Her entrepreneurial spirit and drive led her to join the top-producing real estate team at McEneaney Associates in 2019, where she has achieved over \$40 million in sales.

Her impressive track record of successful deals speaks volumes about her expertise, as Mina is confident in her ability to guide clients toward achieving their real estate objectives. Her success is attributed to the unwavering support and inspiration she received from her parents, who immigrated to the United States during a revolution and had to start anew at the age of 40. This experience instilled in Mina a strong work ethic and a passion for helping others.

Her relentless determination and refusal to settle for mediocrity set her apart, as she never gives up regardless of the challenges she may face.

As a mother of four, Mina is deeply involved in local schools, youth sports leagues, and various vibrant community activities.

When not diligently assisting her clients, she enjoys hiking and playing pickleball with her husband. She also spends time visiting her daughter at Villanova University and attending her youngest son's baseball games at Oakton High School. Likewise, Mina cherishes moments spent with her two adult sons, who are currently embarking on their own adventures.
