

Music Promotion Club offers a 10% Flat Discount to create a music website for emerging artists

Emerging artists can create a music website with the help of the Music Promotion Club's highly effective services. Now, users can enjoy a 10% discount on all packages.

The banner features a solid orange background. At the top center, the text "Music Promotion" is displayed in white, preceded by a white icon of three vertical bars of varying heights. Below this, the phrase "Create a Stunning" is in white, followed by "Music Website" in large, bold, yellow letters. To the left of the center, a small black spider is suspended by a thin vertical line. To the right, a white circular badge with a pink border contains the text "10% OFF" in orange. In the center, the word "HALLOWEEN" is written in large, white, blocky letters, with the letter "O" replaced by a solid black circle. Below "HALLOWEEN", the words "Special Offer" are written in a smaller white font. The bottom of the banner is a dark blue gradient, featuring a silhouette of tall grass on the left and a glowing jack-o'-lantern on the right.

Los Angeles, Oct 27, 2023 ([Issuewire.com](https://www.issuewire.com)) - In this digital age, having own website puts everyone in an advantageous situation and when it comes to music artists; having a website is mandatory. Introducing **Music Promotion Club**, the agency that is well revered for its music promotion services that empower thousands of artists. This platform has now come up with website development

services for music artists where they get their custom websites built by professionals. With its newly launched services, the company is currently offering a **huge discount of 10%** for website designing and development services. It is inviting all the emerging and independent music artists from around the world to take complete advantage of these services.

Music artists can [create a music website](#) at a nominal price with the help of this latest discount offer which is available for only a limited period. A professional music website can shed more light on the aspiring artists in the music industry and the Music Promotion Club is well aware of it. Its dedicated team of professional web developers and music experts know how to create an attractive artist website that brings more traffic and online engagement. 100% customizable, interactive, and engaging; the music websites offered by the agency can help every music artist grow more on their respective musical journey.

Built by experts, music websites are also enriched with the benefits of search engine optimization (SEO) in order to improve the rank of the website on the search engine result pages (SERP). The websites can help artists gain more exposure while increasing their digital footprint on the web. These highly interactive music websites offer great returns on investment (ROI) as they help in promotion as well as sales of music along with merchandise products. The music website builders of the agency have been working in the industry for more than a decade now and they know exactly how to embrace a music artist's talent and creativity through a website. **Music Promotion Club** also makes sure to go through a complete consultation with the music artist and the team to incorporate their raw ideas into the design.

There are three different packages offered by this agency namely, Basic, Advance, and Pro. Each of these packages can be bought at a **10% flat discount** with the latest launch offer by **Music Promotion Club**. The packages are filled with a handful of beneficial features that make each project successful. Starting from Responsive Design For Desktop and mobile, Copywriting for the website pages, to Custom logo design, and Facebook & Google ads pixel installation; the users can find everything under a common shade. Hurry up and grab the latest discount before getting a music website today.
