With customers highest logistics needs in mind, DTL Transport, Inc. provides industry leading services throughout the U.S. Whether looking to move perishable cargo to or from the Northeast, Midwest, or Southeast, DTL is there for you. Remember, "One Call Does It All".

"These Certifications permit our clients to service all Federal, State, and Municipal government purchasing; the State Specific Certifications increase the likelihood that they can effectively bid on State Contracts," states Donna B., Senior Director at www.nationalregistrationgroup.com. She continues: "We provide companies with a team of experts to assist in marketing, consulting, writing, and submission of proposals for public (government) and private (corporate and/or non-profit) teaming opportunities."

Business Certifications are an important element for any small business; they facilitate the procurement process with governmental organizations and are an essential pre-screening tool for many federal, state, and municipal government agencies. The National Registration Group works with business owners to help guide and navigate them through the often challenging paperwork and record requirements that are often a requirement for the majority of Small Business Certifications.
