Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

With over two decades of experience, Dr. Hammond credits his success to hard work and persistence. To quote a friend's motto: "All gas-no brakes."

On a more personal note, he speaks English and Arabic.
