

Ricky Rebel Set to Illuminate Lumiere Fashion Show with His Electrifying Performance

Los Angeles, California Nov 6, 2023 ([Issuewire.com](https://www.issuewire.com)) - Get ready for a night of glamour, music, and mesmerizing performances, as American artist Ricky Rebel takes the stage at the esteemed Lumiere Fashion Show on October 21. Hosted at the iconic Sony Studios, this elite event promises to be a spectacle of creativity, and Ricky Rebel is poised to be a shining star in this dazzling constellation.

Ricky Rebel, a multitalented singer-songwriter, dancer, musician, actor, and GLBT activist, has garnered acclaim and admiration throughout his career. With roots in the renowned singing group No Authority from 1995 to 2003 and later as a member of the rock band Harlow from 2004 to 2009, Ricky Rebel's journey through the entertainment industry is a remarkable tale.

This high-profile event marks an exciting moment in Ricky Rebel's career, with his electrifying new single "Fantasy Control" setting the stage for a night of captivating performances. The Lumiere Fashion Show audience can expect a genre-defying musical experience that transcends the norms of contemporary music.

As the night unfolds, "Booty Eater" is poised to be a key highlight. Ricky Rebel's artistic prowess shines through in this track, combining electronic beats with an alluring melody. It invites the audience to let go and immerse themselves in the fantasy world Ricky Rebel has masterfully crafted.

But the Lumiere Fashion Show is just the beginning of Ricky Rebel's 2023 journey. With a tour in the works and a full-length album slated for release in the coming months, Ricky Rebel is a musical force to be reckoned with. His dedication to innovation and artistic excellence will continue to set him apart in the world of entertainment.

Don't miss Ricky Rebel's electrifying performance at the Lumiere Fashion Show on October 21 at Sony Studios. Follow him on Facebook and Twitter to stay updated on his upcoming projects and tour experiences. With his captivating music and unrelenting passion for artistry, Ricky Rebel is set to make a lasting impression on the Lumiere Fashion Show and beyond.

A recent highlight is the launch of his much-anticipated single, "Booty Eater," which took place on July 21, 2023. This audacious track is now available on platforms like Apple Music and Distrokid.

Ricky Rebel's artistic evolution began with 'No Authority,' in collaboration with Michael Jackson's MJJ Records label. The success of their debut original, 'Keep On,' catapulted him into the spotlight and earned recognition from Madonna's Maverick Records in 2000.

Subsequent albums like 'Manipulator' and 'The Blue Album' cemented Ricky Rebel's fame, leading up to the critically acclaimed 'Wild Reality' album in 2021, with its chart-topping track 'Time Will Tell.'

A vocal advocate for the LGBTQ+ community, Ricky's artistry extends to Facebook's original series, 'Queen America,' starring Catherine Zeta Jones. His daring fashion choices, reminiscent of icons like David Bowie and Madonna, have even secured him a place in ELLE magazine's Most Outrageous Grammy's Outfits in history.

In addition to his music career, Ricky Rebel contributes to US Weekly as a fashion correspondent and created a documentary, 'Rebels Only,' nominated for Best Music Documentary at the Out Web Fest Awards.

Guiding Ricky's journey in the music industry is senior publicist Sherry Lee of the respected GTK PR Agency, LLC, who ensures his remarkable achievements reach his burgeoning fan base.

But the excitement doesn't stop here. Ricky Rebel has just released his latest single, "Fantasy Control," Ricky Rebel latest single, "Fantasy Control," reached the Top 40 on the iTunes Pop Chart., a genre-defying masterpiece that invites listeners to explore a world beyond the ordinary. Ricky's dedication to crafting meaningful lyrics and creating innovative musical landscapes has already garnered positive reviews, leaving fans eager for what's to come.
