

# RISE Launches 'Pocket Counselor': A Student-Centric Global Admission Platform

**Monroe, North Carolina Nov 1, 2023** ([IssueWire.com](https://www.issuewire.com)) - [Rise Higher Education](https://risehigher.education/), a respected name in academic counseling, is proud to unveil its latest offering: the "[Pocket Counselor](https://risehigher.education/)," a student-centric global admission platform (<https://risehigher.education/>). This innovative portal embodies Rise's commitment to empowering students and streamlining their academic journeys.

It bridges Rise's seasoned counselors' experience with modern AI technology, preserving the essence of empathy in student counseling. Leveraging the recent AI advancements, it offers tailored assistance, simplifying the admissions process for students globally. This unified platform facilitates an end-to-end counseling and admission lifecycle experience, complementing and maintaining counselor's empathetic skills (<https://www.risehighereducation.com/homepage/>).

When we say we've got it all covered, we mean it. Our services span from country and course counseling to on-demand, profile-based shortlisting. We provide a checklist of application documents tailored to your chosen course and country, along with expert guidance on drafting each one. Our dedicated application team is here to ensure your documents are correct and ready for submission. We handle the entire application drafting and submission process, keeping you informed with weekly follow-ups and updates. But that's not all. We've developed an in-house comprehensive scholarship search portal that lists scholarships for over 20 countries. Our education loan counseling and assistance are available to help you with financial planning. Even six months after you've filed your error-free application our support extends to assistance with accommodation, currency exchange, tuition fee payments, and other essential settling-in tasks to ease the transition for you and your parents. Last but not least, we provide job search assistance, both part-time and full-time, to our lifelong learners, ensuring a holistic approach to your educational journey

[Rise Higher Education](https://risehigher.education/) welcomes students, parents, educators, and supporters to explore the [Pocket Counselor](https://risehigher.education/), marking a significant step toward empowering students for academic success.

Rise Higher Education, founded by seasoned Education Counselor [Aakriti Jain](#), boasts 17 years of experience transitioning students' dreams of studying at top-tier global universities into a reality. It serves students worldwide with holistic, data-driven, and unbiased admission services for both domestic and international education seekers. Rise is committed to enriching students with their deserving, right to education.
