

See The Unseen Realm of Exhilarating Formula 1 With Patricia Teixeira's 'The Dark Side Behind the Wheel'

Patricia Teixeira brings to you 'The Dark Side Behind the Wheel', describing the unseen, unheard, and layered side of the thrilling speed and success of Formula 1.

The Dark Side Behind the Wheel

Dingli, Oct 10, 2023 ([Issuewire.com](https://www.issuewire.com)) - This is a great read for every Formula 1 enthusiast; **Patricia Teixeira's** prolific writing styles have given a deeper insight into the race car driver and their teams. In her book, '[The Dark Side Behind the Wheel](#)', Patricia explains the intricate tapestry of emotions, aspirations, and vulnerabilities of each racing driver. Right beside the roaring sound of an engine, there is a silent yet engulfing personal battle of this world. She is a Formula 1 enthusiast herself; she has seen the world closely enough to recreate it through her prolific writing capabilities. The elegant navigation of the book introduces a world hidden under its own radiance. Her words describe the darkest part of a lit candle positioned right under it.

Get ready to dive deep into the delicate and emotional journey of this world, balancing both the triumphs and their troubles. The deep-digging features of this society have been brought to light by this immensely powerful writer. The ferocity of this world brings the rawness and poignant avatars of people. **Patricia Teixeira** has successfully portrayed the polarizing journeys of several people given their lives, hearts, and souls to Formula 1. The journey of becoming an eminent star has always been hard and her words have described the pain and the pathos behind every success story while she also mentioned those who haven't seen success yet still choose to be a part of this mega Formula 1 universe.

Coming from a multi-faceted background, Patricia has done Civil Engineering and HR with Psychology. And for her book, '**The Dark Side Behind the Wheel**' she has charmingly united the two colliding worlds of human resources and Formula 1. While the only consumed by the exciting races, her book will make people aware of the heart-tormenting side of this universe. Her words have found the right ways to make themselves more igniting and resonating with the world. This book discloses a new world of vibrant colors of passion, devotion, and numerous human emotions. You can find the book on Barnes & Noble, the online store. For more details, you can follow the authors on several social media sites including [Facebook](#), [Instagram](#), and [Twitter](#).
