

Sherien Joyner, Recognized by BestAgents.us as a 2023 Top Agent.

“I work hard to make buying or selling my client’s homes easy. Achieving your goals is what matters the most.”

New York City, New York Oct 30, 2023 ([IssueWire.com](https://www.issuewire.com)) - Sherien is a highly skilled Realtor, GRI, and Certified New Construction Specialist associated with Fathom Realty in Carrollton, Texas. With a focus on the Dallas-Fort Worth area, she offers her expertise in residential real estate to a diverse clientele, including buyers, sellers, and investors.

Sherien approaches every aspect of her work with unwavering integrity, a service-oriented mindset, and meticulous attention to detail, all geared toward helping her clients achieve their goals. Her passion lies in assisting first-time home buyers, move-up buyers, luxury home seekers, and individuals relocating from other regions.

After obtaining her Bachelor's Degree at Texas Tech University, Sherien spent an impressive 17 years in advertising, marketing, and customer relationship management, enhancing her understanding of customer appeal and effective team collaboration. When transitioning into the real estate industry and establishing her own business, she leveraged her problem-solving skills, profound knowledge of people, and strategic market insights to better address her clients' needs. She has also forged strong partnerships with leading industry professionals, ensuring her clients receive top-notch service.

"My family is originally from Egypt. Growing up, we moved around a few times, and I continued that trend into my early adulthood, so I'm no stranger to the struggles of moving and relocation, learning about a new place, settling into a new community, or even a new country. This allowed me to come into contact with a wide variety of people and cultures besides my own, which has added to my ability to comfortably navigate and enjoy the diverse community we live in today."

Sherien earns praise for her diligence, persistence, comprehensive knowledge, and personalized attention, not just during a client's transaction but also afterward. She harnesses cutting-edge technology and marketing resources to effectively promote her sellers' homes to a wide audience. Her team of experts takes care of every aspect, from staging and repair advice to professional photography and strategic advertising, ensuring maximum visibility and foot traffic for a property, ultimately leading to top-dollar sales in record time.

Her outstanding achievements have been recognized through numerous accolades, including the prestigious Top Producer Award from 2018 to 2022. Sherien is equally passionate about guiding and mentoring others, as evident in the wealth of informative articles available on her website and comprehensive buyer and seller guides.

She attributes her success to her deep-rooted connection with the community she serves. Her proficiency in multiple languages, including Arabic, English, and German enables her to effectively assist clients who are immigrating from other countries, further enhancing their experience.

With her extended family scattered across the world and the United States, Sherien's immediate family resides in Carrollton. Her parents are active members of the community, and she shares her life with her husband, Charles Joyner, a military veteran and Tech entrepreneur. Together, they have a son and a beloved dog named Dixie.

In their leisure time, the family enjoys exploring their surroundings, discovering new hotspots, visiting parks, and actively volunteering within the community.
