

Smarter Contracting Secures WBE, WBENC Renewal for Network Cabling Installation

Smarter Contracting

Raleigh, North Carolina Oct 25, 2023 ([Issuewire.com](https://www.issuewire.com)) - Smarter Contracting Solutions ([SMARTER](https://www.smartercontractingsolutions.com)) a leading government certification preparation and submission company is pleased to announce that they have secured a WBE and a WBENC Renewal Certification for Network Cabling Installation.

For over 40 years, Network Cabling Services (NCS) has been providing quality products and installation of reliable communication infrastructure solutions for today's ever-changing networking environment. NCS sets the industry standards for seamless local, regional, and national products, services, and safety. NCS works with some of the most prestigious universities, hospitals, and industrial leaders to install custom mobility, audio visual, security, networking, and other smart building capabilities to drive forward their technology initiatives. NCS is certified and trained in over 100 different manufacturing lines.

[Business Certifications](#) are an important element of small business; they facilitate the procurement process with governmental organizations and are an essential pre-screening tool for many federal, state, and municipal government agencies. Smarter Contracting Solutions works with business owners to help guide and navigate them through the often challenging paperwork and record requirements that are often a requirement for the majority of Small Business Certifications.
