New York City, New York Oct 30, 2023 ([Issuewire.com](https://www.issuewire.com)) - A dual board certified rheumatologist, Dr. Hoffmann enthusiastically cares for patients at Rheumatology Solutions in Windcrest, Texas.

In the greater San Antonio, Texas, area, Rheumatology Solutions is the premier choice for the diagnosis and management of rheumatic and inflammatory conditions. Four board-certified rheumatologists lead the team and provide a wide range of modern and effective treatments and services. The team takes the time to visit with each new and returning patient about their symptoms and concerns before building a personalized treatment plan.

Academically, Dr. Hoffmann received a Bachelor's Degree from Rensselaer Polytechnic Institute in Troy, New York. He then completed his medical education at the Uniformed Services University of the Health Sciences F. Edward Hebert School of Medicine.

Furthering his training, he performed his residency in internal medicine at Tripler Army Medical Center

from 2004-2007, followed by his fellowship in rheumatology at the National Capital Consortium from 2009-2011.

Board certified in both internal medicine and rheumatology, the doctor is a Diplomate of the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

After serving for eight years at the San Antonio Military Medical Center, Dr. Hoffmann retired from the Army. During his tenure, he held a position on the faculty of the rheumatology fellowship program, where he contributed to the training of rheumatologists and internists.

“My success is mostly due to a combination of medical excellence thanks to fabulous training at Walter Reed in Bethesda combined with good, practical ‘how-to’ with diet and exercise through my special ops training and work as a medic” expresses Dr. Hoffmann.

Rheumatology is a branch of medicine devoted to the diagnosis and treatment of rheumatic diseases. Physicians who have undergone formal training in rheumatology are called rheumatologists. Rheumatologists treat arthritis, autoimmune diseases and osteoporosis.
