

Vanessa Martinez, MS, CCC, SLP, Speech-Language Pathologist

Get to know Speech-Language Pathologist Vanessa Martinez, who serves the population of Florida.

New York City, New York Oct 12, 2023 ([IssueWire.com](https://www.issuewire.com)) - Vanessa Martinez is a speech-language pathologist currently practicing in Florida.

The SLP signifies an advanced level of knowledge, skills, and expertise, as it is reserved only for speech-language pathologists who have met a set of rigorous academic and professional standards—often beyond what is required for state licensure. It represents a commitment to the profession, to ongoing professional development, and to ASHA's Code of Ethics.

Speech-language pathologists typically need at least a master's degree in speech-language pathology. All states require that speech-language pathologists be licensed. Licensure requirements vary by state but typically include clinical experience and passing an exam.

Speech-language pathology (or speech and language pathology) is a healthcare field of expertise practiced globally. Speech-language pathology (SLP) specializes in the evaluation, diagnosis, treatment, and prevention of communication disorders (speech and language impairments), cognitive-communication disorders, voice disorders, and swallowing disorders across the lifespan.
